

**Ko-Ko** I see. Come over here where the Chief Justice can't hear us.  
**Pooh-Bah** Chief Justice. Why can't I remember it?

*They face L and walk on the spot*

*The Eiffel Tower moves from L to R*

We've walked farther than I thought.

*They stop walking and face front*

**Ko-Ko** What would you propose as First Lord of the Treasury?  
**Pooh-Bah** Good question.

*The tree edges on L*

No, we've stopped. We've had our walk, thank you. Can you get back, please? We're not walking any more.

*The tree moves back L*

We'll end up in New Zealand. Who am I now?

**Ko-Ko** (*handing him a Stetson*) Billy the Kid?

**Pooh-Bah** As Billy the ... No, I can't be. (*He tries another unsuitable head-dress*) That's not right either. Aren't I the Treasury chap? This'll do. (*He puts on a sailor's hat*) As the Treasury chap, I could propose a special thing, if it were not that ... (*He replaces the sailor's hat with a policeman's helmet*) As Leader of the Opposition, it would be my duty to resist it. Or ... (*He replaces the policeman's helmet with a tam o' shanter*) No, not him ... (*He takes off the tam o' shanter and replaces it with a back-to-front judge's wig*) As Paymaster-General I could so cook the accounts that ... (*He replaces the judge's wig with the sailor's hat, pauses, then replaces the sailor's hat with a native American head-dress*) As Big Chief Auditor, I should never discover the fraud. But then ... (*He replaces the head-dress with a construction worker's hard-hat*) As Archbishop of Titipu, I would give myself into my own custody as ... (*He replaces the hard-hat with a mobcap*) First Commissioner of Police.

**Ko-Ko** That's extremely awkward.

**Pooh-Bah** I'd call it nigh-on impossible.
